Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Tuesday 13 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly fine and dry, with frosty nights.

This Evening and Tonight:
Showers mostly dying out, though a few persisting across northern England. Clear spells for many and turning frosty in places. A few fog patches forming, mainly in the south and west.

Wednesday:
Most parts dry with sunny spells. A few showers breaking out, mainly in the southwest. Temperatures still below average for many but feeling warm in sunshine and light winds.

Outlook for Thursday to Saturday:
Showers for southeast England on Thursday. Otherwise widely fine and settled with sunny spells. Turning a little warmer by day into the weekend though still cold overnight with frosts.
